

Character Reference Cheat Sheet

(A list of all the characters, shows, songs, and other stuff I used and where they came from...)

(Listed by order of their appearance in the fic)

Name.....	Origin (Type) [Additional Explanation]
New Liberty.....	I actually took a map of Russia and cut out a chunk of it to make the country I named New Liberty. Some of the original Russian cities were actually used in the fic, including the city of Volgograd, which ended up being Volgograd Prime, New Liberty's capital city. Any city name that doesn't sound Russian was completely made up by me, unless I reference otherwise.
Goldari Macaro Bethovich....	original character
The Hunters.....	Based on a character in Gargoyles called The Hunter, whose sole purpose in life is to rid the world of gargoyles.
Paradigm City.....	Big O! (anime) [the city where the hero lives]
Vaala Marsaille/Xanatos.....	original character [based on my best friend, Heather] [character is descended from David Xanatos, who was a main character in the Gargoyles cartoon]
Gold Demona.....	original character [duh =P]
Alexander Xanatos.....	Gargoyles (Disney cartoon) [He's grown up since the series. He's the son of David Xanatos, one of the few canon Gargoyles characters to appear in this fic] [mostly I use Alex to provide the Deus Ex Machina in the fic] =)
Professor Mac Hen.....	Chicken Run (claymation movie) [in the movie, her name is just Mac]
Bender.....	Futurama (cartoon)
Silverbolt.....	Beast Wars: Transformers (cartoon) [transformed form in the cartoon: Wolf/Eagle hybrid thing]
Markl.....	Howl's Moving Castle (anime movie by Hayao Miyazaki)
Krypto.....	The Adventures of Superboy (comic/cartoon)
Mr. Lizard & Timmy.....	Dinosaurs (Jim Henson sitcom) [Trivia: A parody of Mr. Wizard]
Mr. Piccolo.....	Porco Rosso (anime movie by Hayao Miyazaki)
Crimson Pig Express.....	Porco Rosso (anime movie by Hayao Miyazaki) [named for the hero's nickname in the movie, the "Crimson Pig"]
Boober.....	Fraggle Rock (Jim Henson show)
Fraggle Rock.....	Yes, I named the band after the show Fraggle Rock
Red.....	Fraggle Rock (Jim Henson show) [bassist]

<i>Invasion of the Fantanas: The Movie!!!</i>	
.....	My own spoof on the old commercial for Fanta soda
Conversation about Lupin and the National Reserve Bank	
.....	Lupin the 3 rd : First Contact (a Lupin the 3 rd movie) [also known as “Episode 0”] [I have no idea why I added this conversation in the fic. It serves no purpose in the fic and only slows the story down.]
Bueno Nacho.....	Kim Possible (Disney cartoon) [place where the heroes hang out]
Rufus.....	Kim Possible (Disney cartoon)
Ron Stoppable.....	Kim Possible (Disney cartoon)
Kim Possible.....	Kim Possible (Disney cartoon)
Freddie (Boober's stage name)...	Tribute to the lead singer of Queen, Freddie Mercury
<i>Close To You</i>	By the Carpenters (music)
Olive Branch Trail (OBT)...	A spoof on a local street in my area commonly referred to as OBT, notorious for being one of the more lowlife parts of town. [FYI: It's not actually called Olive Branch Trail]
Universal Pawn Broker.....	Men In Black (movie)
Jack Jeebs.....	Men In Black (movie)
The Rescuers' Railway.....	The Rescuers (Disney movie) [named for the movie title]

Gold Demona: Cheat Sheet

Bernard Wilco.....	The Rescuers (Disney movie) [surname was taken from an old video game series called Space Quest, where a hapless janitor, Roger Wilco, pretty much accidentally saves the universe. Since Bernard is also a janitor, I thought this name fitting]
Bianca Wilco.....	The Rescuers (Disney movie) [she married Bernard Wilco]
Reno.....	Final Fantasy VII (video game)
<i>Heartbreak Hotel</i>	By Elvis Presley (music)
<i>Metal Gear Awesome</i>	An internet movie that was a spoof of a video game known as <i>Metal Gear Solid</i>
Private First Class Biggs....	Star Wars: Episode IV (movie) [died while trying to destroy the Death Star] [full name is Biggs Darklighter]
Rude.....	Final Fantasy VII (video game)
Elena.....	Final Fantasy VII (video game)

<i>The Great Pretender</i>	By The Platters (music) [specifically the version sung by Queen]
Blackarachnia.....	Beast Wars: Transformers (cartoon) [transformed form in the cartoon: Black Widow Spider]
Michael and Julia Xanatos....	original characters [Michael is the son of Alexander]
Lexington.....	Gargoyles (Disney cartoon) [aged very much since the series]
Owen Burnett.....	Gargoyles (Disney cartoon) [hasn't aged at all since the series] =P

Gold Demona: Cheat Sheet

Albany.....	original character [daughter of Brooklyn, though now I sort of regret putting her in cuz she's kinda useless] =/
Colonel Quickstrike.....	Beast Wars: Transformers (cartoon) [name is just Quickstrike] [transformed form in the cartoon: Scorpion/Cobra hybrid thing]
Nall.....	Lunar: Silver Star Story (video game) [in the game, he's actually a white dragon whose tiny form only LOOKS like a cat with wings]
Ruby.....	Lunar 2: Eternal Blue (video game) [in the game, she's actually a red dragon whose tiny form LOOKS like a pink cat with wings]
Boober's Christmas Shopping...	Based on the song <i>Christmas Shoes</i> , where the singer is a man in line who helps a poor boy buy shoes for his dying mother. Some of the lyrics were even quoted in the scene.
Unico.....	The Fantastic Adventures of Unico (anime movie)
Allen "Raven" Usher.....	Moira Lenore (fanfiction) [while writing this fic, I decided to make Raven a recurring character in my writings]
Keichi Morisato.....	Ah! My Goddess (anime) [not married to Belldandy in the anime, but they are a couple] =)
Father Mulcahy.....	M*A*S*H (old tv show) [originally, I had written ObiWan Kenobi from Star Wars in the role of the priest, but after watching M*A*S*H and rereading this particular chapter, Father Mulcahy seemed to fit the part better, particularly since he actually IS a priest.]
Lord Oberon.....	Gargoyles (Disney cartoon) [king of the Third Race, not related to Alex Xanatos at all, even in the fic, has no blood relation to Vaala]
Queen Titania.....	Gargoyles (Disney cartoon) [queen of the Third Race, Alex Xanatos' grandmother, Vaala's great-great-grandmother]
Howard Handupme.....	Dinosaurs (Jim Henson sitcom) [news anchor, one of the few hand puppets in the show, hence the name "Hand up me"]
April O'Niel.....	Teenage Mutant Ninja Turtles (movies/cartoon)
Lieutenant Wes Janson.....	Star Wars: Episode IV (movie)
Terra.....	Final Fantasy VI (video game)
Swatbots.....	Sonic the Hedgehog (comic/cartoon)
MacBeth.....	Gargoyles (Disney cartoon) [the last canon character to make an appearance in the fic]
